Attention: Jill Sugarman

Dear Jill:

This letter is in reply to your letter of June 13, 2006 regarding the redesignation of contributions that were intended for the General 2006 election.

Each of the identified contributors, Intl Union of Painters & Allied Trades and Carpenters Legislative Improve Committee, actually designated their contributions to the General. We did not use the computer program correctly and it showed them as redesignated contributions. We have been instructed as to the correct way to use our program so this will not happen in the future.

I will correct the contribution information and send an amended report for the April Quarterly (1-1-06 - 1-31-06).

Sincerely,

Patricia McKeon
Treasurer
